#### **About NQ Minerals:**

NQ Minerals is an Australian-based mining company which commenced production in Q4 2018 at its 100% owned flagship Hellyer Gold Mine in Tasmania. Hellyer has a published JORC compliant resource estimated at 9.5 mt which is host to Gold at 2.61 g/t Au for 796,000 oz Au, Silver at 104 g/t Ag for 32 m oz Ag, Lead at 3.03% Pb for 287,800 tonnes and Zinc at 2.5% Zn for 237,900 tonnes. In addition to these resources, the Hellyer assets include a large mill facility and full supporting infrastructure, including a direct rail line to port. The Company anticipates strong cash-flow and profitability from Hellyer and has a portfolio of exciting exploration prospects.
