Notice of Annual General Meeting

Dear Shareholder

I am pleased to be writing to you with details of our Annual General Meeting ("**AGM**") which we are holding at 10.00 am on 30 June 2017 at the offices of DAC Beachcroft LLP, 100 Fetter Lane, London, EC4A 1BN. The formal notice of AGM is set out on page 4 of this document.

If you would like to vote on the resolutions but cannot come to the AGM, you can appoint a proxy to exercise all or any of your rights to attend, vote and speak at the AGM by using one of the methods set out in the notes to the notice of AGM. Appointing a proxy will not prevent you from attending and voting in person at the AGM.

The purpose of this letter is to give you notice, and explain certain elements, of the business to be considered at the meeting. If you have a question you wish to ask at the AGM it would assist us if you would please write to the Company Secretary at 27/28 Eastcastle Street, London W1W 8DH.

I will deal below with the issues most frequently raised at the meeting.

Resolutions

Resolution 1 – to receive the annual report and accounts

The Chairman will present the annual report and accounts for the year ended 31 December 2016 to the meeting. These accounts will also be available on the Company's website at www.nqminerals.com from today's date.

Resolutions 2, 3, 4, 5 and 6 – re-appointment of Directors

Resolutions 2, 3, 4, 5 and 6 deal with the re-appointment of certain of the Directors. These resolutions will be voted upon separately. The director standing for re-election by rotation under the Company's articles of association is Brian Stockbridge. The four remaining Directors standing for re-appointment, Colin Sutherland, Allen Ambrose, Greg Lane and Roger Jackson, are each standing for re-appointment because they have been appointed since the date of the Company's last annual general meeting.

Resolutions 7 and 8 – re-appointment of auditors

Resolution 7 relates to the re-appointment of Jeffrey Henry LLP as the Company's auditors to hold office until the next AGM of the Company and Resolution 8 authorises the Directors to set their remuneration.

Resolution 9 – allotment of share capital

The terms of the resolution granting the Directors the authority to allot ordinary shares in the capital of the Company which was passed at the general meeting of the Company held on 15 May 2017 (the "**General Meeting**") state that such resolution expires at the conclusion of the next annual general meeting of the Company. Given that the Company is still in the process of raising further funds for working capital and other purposes following its acquisition of the Hellyer Gold Mine, and further noting that the Company has already issued and allotted to the vendors of the Hellyer Gold Mine certain of the consideration shares up to an aggregate nominal value of approximately £70,000, the Directors propose that £100,000 of authority to allot provided under the relevant resolution passed at the General Meeting, be refreshed at the AGM.

Pursuant to the resolutions passed at the General Meeting, the Directors were also given authority to allot ordinary shares in the capital of the Company up to an aggregate nominal amount of one hundred thousand pounds (£100,000) representing approximately 42% of the Company's then enlarged issued ordinary share capital. To provide the Company with sufficient 'head room' to allot further shares in the Company moving forward, the Directors are seeking to renew the authority granted pursuant to the resolution passed at the General Meeting and additionally seek further authority to allot ordinary shares up to a maximum nominal amount of an additional one hundred thousand pounds (£100,000), providing the Company in total with a 'general' authority to allot ordinary shares up to an aggregate nominal amount of two hundred thousand pounds (£200,000), representing approximately 80% of the Company's issued ordinary share capital as at 6 June 2017 (the latest practicable date before publication of this letter).

As at the date of this letter, the Company does not hold any ordinary shares in the capital of the Company in treasury.

Resolution 10 – disapplication of statutory pre-emption rights

Resolution 10 will empower the Directors to allot ordinary shares in the capital of the Company for cash on a non-pre-emptive basis:

1. in connection with a rights issue or other pro-rata offer to existing shareholders; and
2. (otherwise than in connection with a rights issue) up to a maximum nominal value of three hundred thousand pounds (£300,000), representing approximately 120% of the issued ordinary share capital of the Company as at 6 June 2017 (the latest practicable date before publication of this letter).

Your Board considers it appropriate to seek the levels of authority sought under Resolutions 9 and 10 in order to give the Directors flexibility as the Company moves to the next stage of its development.

Recommendation

The Board considers that the resolutions to be proposed at the AGM (the “**Resolutions**”) will promote the success of the Company and are in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend that you vote in favour of the Resolutions as they intend to do in respect of their own beneficial holdings which amount in aggregate to 107,807,695 shares representing approximately 43% of the existing issued ordinary share capital of the Company.

Yours sincerely

Brian Stockbridge
Chairman
