NQ Minerals Plc
(the "Company" or "NQ")

Institutional Equity Issue - Correction

London listed NQ Minerals Plc (NEX: NQMI) (OTCQB: NQMLF), the base and precious metals producer from its Hellyer Gold Mine ("Hellyer") in Tasmania Australia, previously announced that it has raised £176,667 (gross) at 7 pence per share from a UK based Institutional investor and a group of private investors for general working capital purposes and the Company will issue 2,523,815 new ordinary shares ("Placing Shares") under this equity issue.

The prior announcement stated that total voting rights following the issue of the Placing Shares was 340,268,032 which was incorrect. The correct number of shares in issue following the issue of the Placing Shares is 339,848,985 ordinary shares of 0.1p with each carrying the right to one vote. There are no shares held in treasury. Shareholders may use this figure as the denominator by which they are required to notify their interest in, or change to their interest in, the Company under the Disclosure Guidance and Transparency Rules. The placing is conditional upon the terms of a placing agreement and the shares being admitted to trading on the NEX Exchange. Application for the Placing Shares to be admitted to trading on the NEX Exchange and admission is expected to occur on or around 12 March 2020 ("Admission").
